

# Service Operation Vessels

Bibby Marine owns and operates the Bibby WaveMaster fleet of Walk-to-Work vessels - the perfect way to transport offshore workers to remote work locations.

## Bibby WaveMaster 1

Accommodates 100 people and benefits from a Helideck and height adjustable Uptime gangway for safe client transfer. The ship boasts features such as a sauna, gym, restaurant, laundry room and conference facilities

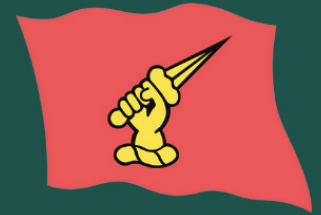

## Bibby WaveMaster Horizon

Accommodates 60 people and can stay out in-field for up to 28 days. Bibby WaveMaster Horizon adds a 2t capacity 3D motion-compensated crane to its deck, as well as a revised warehouse layout and a larger two-floor gym.
